

The reflection of architecture in the physical body of the human being

An approach to consciously experiencing architectural qualities through unbiased observation

Why do we need a journal?

The situation of the IFMA and of the organic architecture movement has changed a lot in the last 20 years. What can a new format of the journal "Man and Architecture" contribute and how?

Meeting "Intention and Inspiration in the Design Process" in Alfter

A report about the meeting held at the Alanus Hochschule in May 2023 in co-operation with the Visual Art Section of the Goetheanum and IFMA

Tasks of contemporary organic design

How can we understand new trends in contemporary architecture and society and what distinguishes the organic approach from outwardly similar phenomena? What development perspectives and challenges for organic design arise from a consideration of the contemporary situation?

Architecture and Spirit of the Time – Encounters with beings in the built environment

The question of the spirit of the time is something that should interest the architect in every building task, because without an understanding of it and without this spirit being incorporated into every task, the result is likely to be anachronistic and not really meeting the needs of the present.
